## Ailment Sufferers & Prescription and Over the counter Drug Users

Call Us Now  
402-884-6716

### DESCRIPTION

Dundee Data provides survey respondents who have indicated that they individually or someone in their household suffer from specific ailments, illnesses and addictions. This database is selectable by over 200 types of ailments and over 200 over-the counter and prescription medications. Our ailment file is further selectable by numerous household demographics including age, income, gender, marital status and much more.

### Who is this file ideal for?

- Pharmaceutical Companies
- Marketers of Pharmaceutical Companies
- Marketers of OTC Remedies
- Market Research
- New Physicians Building a new practice
- Physicians who limit their practice to a specific type of ailment or patient group
- Distributors of Medical devices and Aids designed to help these consumers
- Alternative Medical Practices
- Attorneys needing to contact prospective clients for class action lawsuit participation
- Many other Consumer related offers
